

TAPS 2018 calendar

July, 4th (Wednesday), 12.30 pm, COK auditorium

Daniel Reitzner

Research Center for Quantum Information, Institute of Physics, Slovak Academy of Sciences
Quantum Incompatibility for Quantum Key Distribution

Anna Szkulmowska

Physics and what next?

July, 11th (Wednesday), 12 noon, COK auditorium

Alicja Chruścińska

Luminescence dating - a tool for archaeologists and geologists

Sebastian Maćkowski

Fluorescence microscopy: zooming glass for the nanoscale

July, 19th (Thursday), 12 noon, room S1 COK

Piotr Kolenderski

Single photon -- generation and detection

Justyna Cembrzyńska

How to present yourself effectively?

1 student seminar

Evening: dinner in town

July, 25th (Wednesday), Institute of Physics, 12 noon, room S1 COK

3 student seminars

July, 25th (Wednesday), Centre for Astronomy, Piwnice, 4 pm

Laszlo Kiss

Konkoly Observatory, Hungarian Academy of Sciences

Exoplanet research with dedicated space telescopes

Agata Karska

Water in star forming regions

Barbeque & observatory tour

August, 1st (Wednesday), 12 noon, room S1 COK

Anna Szkulmowska

Physics and what next?

Ireneusz Grulkowski

Optical Properties of Ocular Structures

4 student seminars

August, 8th (Wednesday), Institute of Physics, 12 noon, room S1 COK

Jarosław Zaremba

Interactions of atomic systems with light

August, 8th (Wednesday), Centre for Astronomy, Piwnice, 4 pm

Michał Hanasz

Generation of galactic magnetic fields and galactic wind driving by cosmic rays

2 student seminars (Olena & Mateo)

Barbeque & observatory tour

August, 17th (Friday), 4 pm, COK auditorium

Vladyslav C. Usenko

Department of Optics, Palacký University, Olomouc

Continuous variables quantum communication

Wiesław Nowak

Computers in single molecule bionano-world - 3 medical aspects

4 student seminars

Dinner at Fort IV

August, 22nd (Wednesday), 12 noon, COK auditorium

Katharina Boguslawski

An Introduction to Computational and Theoretical Chemistry

Jacek Matulewski

Eye movement and its analysis

3 student seminars

August, 29th (Wednesday), 12 noon, COK auditorium

9 student seminars

Farewell dinner in town
